

Dr. Nicholas Gichu

Dr. Nicholas Gichu specialized in Paediatric Dentistry in 2009 having completed his undergraduate studies in 2002. He has been with KAPD since inception and is one of the founder members. He has been a part-time lecturer and has been supervising undergraduate students in their research. He is a consultant paediatric dentist in both public and private sector. In private sector he has admission rights in the major hospitals in Nairobi for both in and out-patients, and runs his own clinic DentalDoc Clinic. He was initially the treasurer for KAPD from 2012 and is currently the Chairman since 2016.
